Greetings,

We are excited to announce the return to the TPC at Prestancia for our Second Annual Golf Tournament to be held October 15, 2016. The folks at Prestancia put on a first class tournament in 2015 with great attention to details. They provided our guests with a championship level golf experience on their Stadium Course with plenty of southern hospitality and great food. The overwhelming comment was "why go anywhere else?"

The golf tournament is one of our Council's main fundraising events. All funds generated by the tournament are dedicated solely to the Sarasota County Public Schools to help connect our community to our schools in many ways including providing trained mentors and tutors and the materials they need to support schools, teachers, and students particularly by providing one-to-one help in reading, math and other academic areas.

This year, in the spirit of our Council, we are offering an incentive to our high school golfers to **TeamUp with an adult player at a special price!**

By playing in or sponsoring this tournament, your participation will make a difference for students and teachers! Play where the Pros play and help a great cause!
